

Whitening for Life Program

WHITENING for Life!

We feel that every patient in our practice deserves to have a smile they can be proud of. We are excited to offer our patients a unique program called Whitening for Life. In this program, we will provide you with custom bleaching trays and material at no cost. Then, at each six-month preventive visit, we will give you a complimentary touch up kit of bleaching gel. This ensures that you will be able to keep your teeth bright and beautiful for life!

All we ask in return is you keep your six (or three) month preventative visits current. Your long-term dental health is as important to us as it is to you. Our patients have

found that these six month visits help greatly reduce emergencies. That is why we are happy to provide this extra bonus for our patients who are committed to their dental health.

Provide at least 48 hours notice if you need to cancel or change an appointment. In order to provide exceptional services like Whitening for Life to all of our patients, we ask that you give us the courtesy of advance notice for schedule changes.
