A Bible Study on Purity for High School Students

By Scott Phelps

Excel is designed for youth groups, Christian schools, and pregnancy care centers reaching grades 9-12. *Excel* is a positive and unique presentation based on the Joseph narrative in Genesis, and helps teens realize the decisions they make today affect their dreams for the future. *The Excel Leader's Guide* includes activities, PDF printable worksheets, parents' notes, a full PowerPoint presentation, and special DVD to accompany Chapter 8. *Excel* is careful to present material in a manner appropriate for Christian settings.
