Vaccines

In order to protect the health of your pet, Bluebonnet Animal Hospital requires documentation showing that all boarding dogs have current rabies, DA2PP, and bordetella vaccines, and cats have current rabies and FVRCP vaccines. If any of your pets' vaccinations are past due, they must be vaccinated before boarding and will be added to your bill. Pets that are so young that they have not completed their entire series of vaccinations may not yet be protected and, thus, owners accept any risks of infection.

Diet

We feed a high quality dry diet to meet the nutritional needs of your pet. For each pet, please indicate the food to be fed and then specify whether your pet eats dry food only, canned food only, or both, and the number of times your pet is fed each day.
