Preparation and Disclosure of Crime Statistics

Cobb Beauty College prepares this report to comply with Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and the Higher Education Opportunity Act (HEOA). This report can also be located in its entirety at our website at www.cobbbeautycollege.edu. This report is prepared in cooperation with the local law enforcement agencies surrounding our campus.

Campus crime statistics include those reported to Cobb Beauty College (CBC) Administration Offices, other campus officials, and those reported to us by local law enforcement agencies as a result of our request for pertinent data. These statistics may also include crimes that have occurred in public areas, not owned by Cobb Beauty College, but utilized by our students, faculty and staff.

Each year, an e-mail notification is made to all enrolled students, faculty and staff that provides the website to access this report. Copies of the report may also be obtained at the Cobb Beauty College Administration office or by calling (770) 424-6915. All prospective employees may obtain a copy from the Administration office or by calling (770) 424-6915, and the website address will be attached to CBC employment applications.

Policy Designating Reported Locations

The Jeanne Clery Disclosure of campus Security Policy and Crime Statistics Act and the Higher Education Opportunity Act (HEOA) require that Cobb Beauty College report crimes on campus, and campus buildings or properties that meet all of the following criteria:

- Cobb Beauty College owns or controls them;
- They are reasonably contiguous to one another;
- They directly support or relate to Cobb Beauty College's educational purposes.

We have adopted the reporting geography of all contiguous property to our campus located within the confines of the city of Kennesaw, Georgia located at 3096 Cherokee Street, Kennesaw, Georgia 30144.

Policy Concerning How to Report a Crime

To report a crime or suspected crime, an individual may contact the Kennesaw Police Department by calling 9-1-1, or CBC's Director of Wellness and Prevention, Nicole Rosa at (770) 424-6915.

Policy Concerning Voluntary Confidential Reporting

If you are a victim of a crime and do not want to pursue action with the Cobb Beauty College system or the criminal justice system, you may still want to consider making a confidential report. With your permission, Director of Wellness and Prevention or can file a report detailing the incident without revealing your identity. The purpose of a confidential report is to comply with your desire to keep the matter confidential, while taking steps to insure the future safety of yourself and others. With such information, Cobb Beauty College can keep an accurate record of the number of incidents involving students, faculty and staff, determine where there is a pattern of crime with regard to a particular location, method or assailant, and alert the Cobb Beauty College community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for Cobb Beauty College.

Policy Advising Accurate and Prompt Crime Reporting

Community members, students, faculty, staff and guests are encouraged to report all crimes and public safety related incidents to the Cobb Beauty College Director of Wellness and Prevention and to the local Kennesaw Police Department in a timely fashion. Only by the prompt reporting of the crime and the subsequent action taken by appropriate authorities will issues be quickly investigated and resolutions effected. The process of making accurate and prompt reports the community, students, faculty, staff and guests help insure increased safety for all.

To report a crime or an emergency on the Cobb Beauty College campus, call CBC's Director of Wellness and Prevention at (770) 424-6915. To report a non-emergency security or public safety related matter, call CBC's Director of Wellness and Prevention at (770) 424-6915.

Policy Defining Crime Types

The Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and the Higher Education Opportunity Act (HEOA) require reporting of specific criminal act reports - not necessarily convictions. Because a criminal act or suspicion of an act was reported, does not necessarily indicate that such an act actually occurred or that specific individuals were convicted of such an act. The Clery requirements are for disclosure of reports of criminal activity or suspected criminal activity and classify crimes based on the Federal Bureau of Investigation's (FBI's) *Uniform Crime Reporting Handbook (UCR)*.

Crimes reported in the Crime Statistics Reporting Table by type and for the most recent three (3) year period. Cobb Beauty College does not have on-campus housing, so no Fire Statistics report is made nor is there any entry in the on-campus housing facilities column of the Table. This Crime Statistics Reporting Table is located further in this report.

A second crime report for the most recent three (3) year period is also made in the narrative form for reported Hate Crimes. Hate Crimes are those acts designated by the FBI in their publications entitled "*Uniform Crime Reporting Hate Crime Data Collection Guidelines*" and "*Training Guide for Hate Crime Data Collection*". For sex offences only, Cobb Beauty College uses definitions from the FBI's National

Incident Based Reporting System (NIBRS) edition of the UCR. Reported Hate Crimes are shown in Appendix C.

Policy Concerning Timely Warnings

For any Clery Act crime, either on or off campus that, in the judgment of Cobb Beauty College, represents an ongoing threat to the safety of students or employees; a campus-wide "timely warning" will be issued by Director/Owner of Cobb Beauty College. The warning will be issued through all available means of mass communication including: public address announcements, personal notification, campus email, personal email, texts, Cobb Beauty College computer program notifications and the Cobb Beauty College website. Anyone with information warranting a timely warning should report the circumstances to the Director of Wellness and Prevention, by phone (770) 424-6915 or in person at the Administration Office.

Policy Concerning Emergency Notifications

Depending on the particular circumstances of the crime, Cobb Beauty College may also issue an emergency notification. The notification will be announced by the Cobb Beauty College Director/Owner and will inform the campus community that as soon as they have confirmed that a significant emergency or dangerous situation exists, will:

- Take into account the safety of the campus community,
- Determine what information to release about the situation, and
- Begin the notification process. Posting on the Cobb Beauty College website will inform the community widespread

Cobb Beauty College will not immediately issue a notification for a confirmed emergency or dangerous situation if doing so will compromise efforts to:

- Assist a victim,
- Contain the emergency,
- Respond to the emergency, or
- Otherwise mitigate the emergency.

As directed by the Clery regulations, emergency notification methods are tested drills, exercises, and appropriate follow-through activities, for the purpose of assessment and evaluation of emergency plans and capabilities. These tests are conducted once a year that the tests is announced and once when it is not announced. To comply with the Clery requirement the tests must:

- Be scheduled,
- Contain drills,
- Contain exercises,
- Contain follow-through activities,
- Be designed for assessment of emergency plans and capabilities, and
- Be designed for evaluation of emergency plans and capabilities.

An evacuation drill is coordinated by Cobb Beauty College's CSAs for all facilities on campus. The emergency response and evacuation procedures are tested once a year. Students learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation in the orientation. The CSAs do not tell students in advance about the designated locations for long-term evacuations as those determinations are affected by time of day, location of the facility being evacuated, the availability of the various designated emergency gathering locations on campus, and other factors such as the location and nature of the threat. Cobb Beauty College's CSA staff on the scene will communicate information to students regarding the developing situation or any evacuation status changes.

Policy Concerning Alcoholic Beverages

The Cobb Beauty College campus has been designated "Drug Free" and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the Kennesaw Police Department. If a bar or restaurant, an employer at a social function, or even a person entertaining social guests in his/her home serves alcoholic beverages in violation of these statutes to one of the prohibited categories of persons, the offense is punishable not only as a crime, but the person serving the beverage is in violation of either statute can be liable to a third party who is injured by the intoxicated person (*Sutter v. It Is A Crime In Georgia

Marijuana Related Laws

In this state, the legal consequences of marijuana use or trafficking are worth serious consideration:

- Any person charged and convicted of possession of one ounce or less of marijuana is guilty of a misdemeanor, which is punishable by imprisonment for a period not to exceed 12 months or a fine not to exceed \$1,000, or both. O.C.G.A. Section 16-13-2.
- Where more than one ounce of marijuana is involved, the law of the state of Georgia states the following: "It is unlawful for any person to possess, have under his control, manufacture, deliver, distribute,

dispense, administer, sell, or possess with intent to distribute marijuana. Except as otherwise provided in O.C.G.A. Section 16-13-2 (First Offender Clause), any person who violates this subsection shall be guilty of a felony and shall be punished by imprisonment for not less than one (1) year nor more than ten (10) years." (Georgia Controlled Substance Act, O.C.G.A. Section 16-13-30) There is in Georgia an extensive list of other drugs that have been determined to have a high potential for abuse or are not currently accepted medical use or have potential for leading to psychological or physical dependence. The possession, use or selling or such "controlled substances" carries severe penalties, including imprisonment up to 30 years. Indeed, so serious does society regard these controlled substances that it is a serious violation (punishable by imprisonment from one (1) to ten (10) years) to possess, manufacture, deliver, sell, etc., a counterfeit of such drugs. Federal laws, too, provide stiff penalties for violations.

Policy Concerning Disclosures to Alleged Victims of Crimes of Violence or Non-forcible Sex Offenses

Cobb Beauty College will, upon written request, disclose to the alleged victim of a crime of violence (domestic, dating, or intimate partner, stalking), or a non-forcible sex offense, the results of any disciplinary hearing conducted by Cobb Beauty College against the student who is alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense. Cobb Beauty College will provide the result of the disciplinary hearing to the victim's next of kin, if so requested.

Policy Concerning Preventing and Responding to Sex Offenses

Cobb Beauty College provides information from the Kennesaw Police Department about sexual assault education and information programs to Cobb Beauty College students and employees upon request. Literature on date rape education, risk reduction, and Cobb Beauty College response is available through the Administration Office. In addition to this, Cobb Beauty College also requires students to participate in a bi-annual mandatory 101 presentation. This presentation covers: Sexual Assault, Domestic Violence, Dating Violence, and Stalking as well as other key information for overall student wellness.

If you are a victim of a sexual assault at Cobb Beauty College, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Kennesaw Police Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to Cobb Beauty College's Director of Wellness and Prevention. Filing a police report with Kennesaw Police or the Director will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgment opinions from officers. Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts the Kennesaw Police Department, Sex Crimes Unit will be notified as well. A representative from the Office of Housing and Residential Education will also be notified. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system and Cobb Beauty College, or only the latter. A representative from the Kennesaw Police Department or the Cobb Beauty College Administration office will guide the victim through the available options and support the victim in his or her decision. Counseling and support services outside Cobb Beauty College can be obtained through the Cobb County Rape Crisis Center.

Cobb Beauty College disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct or any other Clery Act/Title IX violations, are detailed in the Student Handbook. The Handbook provides, in part, that the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating the Cobb Beauty College sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from Cobb Beauty College for the first offense. Student victims have the option to change their academic schedule after an alleged sexual assault, if such changes are reasonably available.

Policies Concerning Sex Offender Registration

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Cleary Act and the Family Educational Rights and Privacy Act of 1974, Cobb Beauty College provides a link to the Georgia State Police Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. The Georgia State Police is responsible for maintaining this registry. Follow the link below to access the Georgia State Sex Offender website.
