Assignment of Benefits/Communication Authorization

I, the undersigned, authorize the release of any medical or other information necessary to process medical claims on my or my dependents behalf. I also authorize and request payment of benefits be made to Front Range Plastic and Reconstructive Surgery, PC. I understand and agree that (regardless of insurance status), I am ultimately responsible for the balance of my account for any professional services rendered. I certify this information is true and correct to the best of my knowledge. I will notify the office of any changes in my status or the above information. I also acknowledge that I reviewed and received the practice privacy notice.

Signature:_____ Date:_____

Front Range Plastic and Reconstructive Surgery
Policies

Thank you for choosing Front Range Plastic and Reconstructive Surgery. We are dedicated to providing you the most efficient care and service possible. Your understanding of our policies is an essential element of your care and service. If you have any questions regarding any aspect of our policy, please feel free to present your question to any of our staff.

Front Range Plastic and Reconstructive Surgery and Dr. Schutte are affiliated with healthcare teaching institutions. We may participate in programs to teach resident doctors, medical students, nursing students, and other healthcare students. These healthcare workers in training may participate in your care and treatment including office evaluation and surgical procedure, under the guidance of Dr. Schutte.

Payments are due when services are rendered. If you are unable to make payment in full at the time of service, your appointment will be rescheduled to a more convenient time. We accept Visa, MasterCard, Discover, personal checks and cash. Please be aware that we will add a $30.00 charge to your account for returned checks. We reserve the right to send all accounts with balances over 60 days old to an outside collection agency. All accounts sent to collections will be charged a $50.00 processing fee and any additional fees associated. You may be responsible for all collections and attorney costs incurred.

Insurance:
It is your responsibility to obtain insurance coverage and benefits prior to your visit with us. As a patient, you will be responsible for any copays, deductibles and coinsurance. You are also responsible for any additional testing, and services not covered by your insurance. If you do not have your insurance card, or we do not participate with your insurance plan, you can either reschedule your appointment or pay for your visit in full at the time services are rendered. We will supply you with the necessary information to submit the claim to your insurance company. Any balance left after your insurance has processed your claim must be remitted within 30 days or each monthly billing charge will be applied to your account of $10 whichever is greater.

We bill participating insurance companies as a courtesy to you. You are expected to pay your deductible, coinsurance and copayments at the time of service. If we have not received payment from your insurance company within 45 days of the date of service, you may be expected to pay the balance in full. You are responsible to be sure all charges are paid whether by you or by your insurance carrier.

It is your responsibility to know the details of your particular insurance policy. Not all services are covered by all carriers. Services which are not covered by your insurance are your responsibility. Diagnoses and services are carefully documented to comply with federal law. Under no circumstances will these be changed, altered or falsified in order to obtain coverage by insurance. You are responsible for any and all allowable charges which remain after your insurance has paid its portion.

If your insurance carrier has a “network” of providers, it is your responsibility to make sure that we are an “in network” provider prior to obtaining services. If we are not “in network,” we will still be happy to provide services; however, the percentage of charges for which you are responsible will be greater. It is also your responsibility to make us aware of any restrictions your policy has on ancillary services (such as requiring a specific lab). . If your insurance company is not contracted with us, you agree to pay any portion of the charges not covered by insurance, including but not limited to those charges above the usual and customary allowance. If your insurance pays you directly, you are responsible for payment and agree to forward the payment to us immediately.

It is your responsibility to make sure we have accurate insurance carrier and billing information. If a claim is unsuccessful because of failure to provide complete insurance or billing information, you will be responsible for the balance. We will make every effort to assist you in understanding the above information. We will also assist with any problems arising with your insurance to the extent we can accommodate.

Referrals and Preauthorizations
If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower or no payment from the insurance company, and the balance will be your responsibility.

Motor Vehicle Accidents (MVA)/Third Party Liability
In order to file a claim for Motor vehicle or third party liability carriers we require all claim detail (claim#, contact info, billing address) at the time of your appointment. We require a partial payment at the time of service of $100 for consultation services and $1500 for surgical services. If benefits are exhausted, we will bill your health insurance. All previous policies listed under insurance above will apply.

Cosmetic procedures Pre-Payment
There is a deposit required before the date selected can be reserved exclusively for you. The deposit is $500.00 or 10% of surgery cost whichever is greater. This is a non-refundable deposit. This fee is used to cover the booking and scheduling expenses involved with your surgery. This amount will be deducted from your total cost.

Surgery Final Payment
You will be expected to pay the remaining balance due on your account two weeks prior to your surgery. We accept: Visa, MasterCard, Novus (Discover), Money Orders, Cashiers Checks and Cash. Personal checks are accepted only if paid two (2) weeks prior to surgery. No post-dated checks will be accepted. Please note if you plan to use a Bank DEBIT card for your final payment, they usually will not process over $500.00. We also accept Care Credit and United Medical Credit.

If for any reason, medical or personal, you cancel surgery two weeks or less than your scheduled surgery date you will be charged a cancellation fee: 14 days = 25% of total surgical fee, 7-13 days = 50% of total surgical fee; 2-6 days = 75% of total surgical fee, 1 day = 100% of total surgical fee

I acknowledge that I have received a copy of this financial policy. I agree to read this document and comply with the terms set forth for services rendered by Front Range Plastic and Reconstructive Surgery.

RECEIPT OF NOTICE OF PRIVACY PRACTICES WRITTEN ACKNOWLEDGEMENT FORM

I, _____
have been informed that a copy of our offices Notice of Privacy Practices 2013 version is available in the waiting room(s) and online at www.frontrangeplasticsurgery.com. A copy of this Notice will be furnished to me upon my request.

_____ _____
Signature of Patient Date

HIPAA is an acronym for the Health Insurance Portability & Accountability Act of 1996 (a federal law). Of significant concern to healthcare organizations is the Administrative Simplification section of the Act, which requires healthcare organizations to comply with specific rules regarding:

- Unique Identifiers for health plans, providers, individuals, employers
- Healthcare Transaction & Code Sets for transmitting data electronically
- Privacy regulations over disclosure and use of health information
- Security regulations over protections of electronic health information

It is our policy to not release confidential and/or unauthorized information except as defined in the Notice of Privacy Practices. If you would like to have information released to someone other than yourself please complete the following:

Please list names of people we can discuss your medical or skin care with:
Spouse Name _____ yes____ no____
Parent Name _____ yes____ no____
Other Name _____ yes____ no____
Please give name and relationship such as boyfriend, sister, etc.

I authorize the doctor's office to leave medical information pertaining to my care by the following methods and will assume responsibility to notify them, in writing, whenever this information changes.

ELECTRONIC COMMUNICATION

Email, text, or other electronic communication provides a fast and easy way to communicate with Front Range Plastic and Reconstructive Surgery (FRPS) for those issues that are non-emergent, non-urgent or non-critical. It is not a replacement for the interpersonal contact that is the very basis of the client practice relationship; rather it can support and strengthen an already established relationship.

The following summarizes the information you need to determine whether you wish to supplement your experience at our practice by electronically communicating with FRPS staff.

General Considerations

- Electronic communication will be considered and treated with the same degree of privacy and confidentiality as written medical records.
- Standard electronic communication services, such as text or gmail, AOL, and hotmail email services are not secure. This mean that the electronic messages are not encrypted and can be potentially intercepted and read by unauthorized individuals.
- Your electronic addresses will not be used for external marketing purposes without your permission. You may receive a group emailing from the practice; however, the recipients email addresses will be hidden.

Provider Responsibilities

- Staff will attempt to electronically confirm your email address by requesting a return response to all email messages.
- Your provider may route your electronic messages to other members of the staff for information purposes or for expediting a response.
- Designated staff may receive and read your electronic messages
- Every attempt will be made to respond to your electronic message within 2 business days (Monday – Friday, non-holidays). If you do not receive a response from the practice within 2 business days, please contact the practice by phone.
- Copies of electronic messages sent and received from and to you could be incorporated into your medical record. You are advised to retain all electronic correspondence for your own files.

Client Responsibilities

- Electronic messages should not be used for emergencies or time-sensitive situations. In the event of an emergency, you should call 911. For emergent or time-sensitive situations, you should contact the practice by phone.
- Electronic messages should be concise. Please arrange for an office appointment if the issue is too complex of sensitive to discuss via electronic messaging.
- Please include your full name and the topic or question, in the subject line of emails. This will serve to identify you as the sender of the email.
- Please acknowledge that you received and read the message by return electronic message to the sender.

I have read and understood the above description of the risks and responsibilities associated with electronic communication with Front Range Plastic and Reconstructive Surgery.
I acknowledge that commonly used text services and email services are not secure and fall outside of the security requirements set forth by the Health Insurance Portability and Accountability Act for the transmission of protected health information.
I have been given the opportunity to discuss electronic communication with a representative of FRPS and have had all my questions answered.
In consideration for my desire to use electronic communication as an adjunct ti in-person office visits with FRPS, I hereby consent to electronic communication via non-secure text and email services.
I understand that I may revoke my consent to communicate electronically at any time by notifying the practice in writing at the following address: Front Range Plastic and Reconstructive Surgery, 2500 Rocky Mountain Ave Ste 2130, Loveland, CO 80538. However, if I revoke my consent, the revocation will not have an effect on actions my doctor has already taken in reliance on my consent.
I agree and release my provider and Front Range Plastic and Reconstructive Surgery from any and all liability that may occur due to electronic communication over a non-secure network.
I further agree to be held accountable and to comply with the client responsibilities as outlines in this consent.
