Online Privacy Policy

This Online Privacy Policy (“Policy”) describes how Altisource Solutions S.à r.l. and its Affiliates and subsidiaries (collectively “Altisource”, “us”, “our” or “we”) collect, share, use and protect certain personal information from or about you through any online interface (e.g., website or mobile application) owned and controlled by us that links to or references this Policy (each a “Site”). We will use and share any information that we collect from or about you in accordance with this Policy and the Altisource U.S. Consumer Privacy Notice (“Notice”) above, which provides certain choices in the use and sharing of information. Please note, however, that this Policy is not an exclusive statement of our privacy principles across all our portfolio of products and services. Other privacy principles or policies may apply depending on the products or services you obtain from us, please review carefully all the notices and policies included in each website you access. Your use of the Sites constitutes your agreement to the terms and conditions of this Policy and any other policies linked to or referenced in such Sites. This Policy hereby incorporates the defined terms set forth in the Notice.

In the event that we receive any information pertaining to You through any third party with whom we have a separate agreement, our rights to use such information will be governed by such separate agreement rather than this Policy.

INFORMATION WE COLLECT ONLINE

Personally Identifiable Information (“PII”) PII is information that can be used (either alone or in combination with other information) to identify, contact or locate a unique person. This includes a person’s first name and last name or first initial and last name in combination with any one or more of the following data elements that relate to the person:

- Social Security Number
- Date of birth
- Place of birth
- Mother’s maiden name
- Payment card information
- Financial account numbers, with or without any required security code, access code, personal identification number or password, that would permit access to a person’s financial account
- Income tax records
- Driver’s license numbers or state-issued identification numbers
- Address information, such as home address or email address
- Telephone number
- Financial information

We may obtain PII about you directly from you, through your use of our Sites, products and services and from third parties and public sources.

If you create an account, and provided that your account is not disabled, you may log in to review or change certain PII you provided when you registered. However, you may not request changes to the transaction history related to your activities conducted on this or other Sites or on third-party websites.

We also use cookies (pieces of information stored directly on the device you are using), pixel tags, and similar technologies to collect information about you. We collect information about the site you came from, the parts of our online service you access, and the site you visit next. You can refuse to accept cookies, and most devices and browsers offer their own privacy settings for cookies. You will need to manage your cookie settings for each device and browser you use. However, if you do not accept these cookies, you may experience some inconvenience in your use of the Sites (including the inability to visit certain pages or use certain features on the Sites). Some devices and browsers permit you to broadcast a preference that you not be “tracked” online, at this time we do not modify your experience based upon whether such a signal is broadcast. Currently, our systems do not recognize browser “do-not-track” requests.

We may also collect information about you from additional online and offline sources including commercially available third-party sources. We may combine this information with the PII and other information we have collected about you under this Policy.

In addition and notwithstanding anything in this Policy, Altisource will have the right to collect aggregated or de-identified data (e.g., data that does not identify an entity or natural person as the source thereof) resulting from your use of the Sites. To the extent that any aggregated or de-identified data is collected by us, we may use such data for any lawful purpose, provided that the data is used only in its aggregated or de-identified form.

Payment Card Information

We may accept payment card information to provide our customers with the convenience of purchasing our products and services online. Payment card information is defined as a credit card number (also

referred to as a primary account number or PAN) in combination with one or more of the following data elements:

- Cardholder name
- Service code
- Expiration date
- CVC2, CVV2 or CID value
- PIN or PIN block

Any payment card information that we collect is protected by Secure Sockets Layer encryption technology. Once submitted, we store only the information required to reference your original transaction (which cannot be used to process another charge transaction). We do not store your payment card information on file.

HOW WE USE THE INFORMATION COLLECTED ONLINE

We may use the PII and other information we collect to:

- Verify your identity
- Process, evaluate and respond to your requests, inquiries and applications
- Protect against and prevent fraud, unauthorized activity, claims and other liabilities
- Send you important information regarding the Sites, changes to our terms, conditions, and policies and/or other administrative information
- Allow you to participate in surveys, sweepstakes, contests and similar promotions and to administer these activities (some of these activities may have additional rules, which could contain additional information about how we use and disclose your information)
- Control risk, and comply with laws, regulations and other legal process and law enforcement requirements
- Operate, evaluate and improve our business (including developing new products and services, improving existing products and services, performing data analytics and accounting, auditing and other internal functions)
- Engage in marketing activities (e.g. to deliver marketing communications that we believe may be of interest to you, including, ads or offers tailored to you) and communicate with you about our products, services, and events
- Measure the effectiveness of our communications or the success of our marketing campaigns
- Ensure that the Sites function properly, diagnose server problems, administer the Sites, facilitate navigation, display information more effectively, and personalize your experience on the Sites
- Understand how people use the Sites, calculate Site usage levels, and compile statistics about usage and response rates
- Comply with and enforce legal requirements, industry standards, contractual obligations and our policies

We also may use the PII and other information in other ways consistent with the Notice or for which we provide specific notice at the time of collection, or for other legally permissible purposes related to our business.

ADDITIONAL INFORMATION

Transfer of Information

We may share information, including PII, with third parties (such as buyers, assignees or other successors) in the event we sell or transfer all or a portion of our business or assets (such as in connection with a merger, acquisition, reorganization, debt financing, insolvency, bankruptcy, dissolution, sale, change of control, or liquidation), or take steps in anticipation of such transactions.

Law Enforcement, Disputes and Safety

We may share information, including PII, in connection with any lawsuit or proceeding, or in response to legally valid requests or demands from courts, law enforcement and other government agencies. Furthermore, we may disclose your information, including your PII, if we have a good faith belief disclosure of such information is reasonably necessary to satisfy any applicable law, regulation or self-regulation. We may also disclose your information to prevent fraud, for risk management purposes, or protect the safety of other users.

Links and Social Media

The Sites may contain links to non-Altisource websites. Please be aware that we are not responsible for the content or privacy practices of those websites, you should review their privacy and security policies and other terms and conditions, as they may be different from those of our Sites. Altisource may provide experiences on social media platforms that enable sharing and collaboration among users who have registered to use them. Your use of such platforms and the content you post on Altisource's managed social media pages is subject to the Terms of Use and Privacy Policies of those respective platforms. In addition, please note that when visiting and/or using such Altisource managed social media sites, you are also subject to Altisource's policies.

Consent to Transfer Information

If you are accessing the Sites from outside of the United States, please be aware that any information that we collect may be transferred to, processed and stored in the United States. If you are accessing the Sites from the United States, please be aware that any information that we collect may be transferred to, processed and stored outside of your state or outside of the United States. Your use of the Sites constitutes your agreement to this transfer, processing and storage of your information.

Children

Altisource does not knowingly collect information from children. Our products and services are not directed to or intended for children under the age of 13.

Choice/Opt-Out

From time to time, we may send you communications, including e-mails, e-mail newsletters or Site news updates. If you no longer wish to receive these materials from us you may opt-out of receiving them; provided, however, that we may be required to continue to send certain legally-required or product-update notices. This opt-out will not apply to transaction-related communications.

Opt-Out Procedure: In compliance with the Can-Spam Act of 2003, each marketing email transmitted by the Sites has instructions for opting out of receiving future emails. If you wish to opt-out of receiving marketing emails or phone calls from Altisource please send us an email to: OptOutRequest@Altisource.com; or call us at 1-855-373-7205.

UPDATES TO THIS POLICY AND THE NOTICE

We may change this Policy and/or the Notice from time to time. Please review these documents periodically. Any change to this Policy or the Notice will become effective when posted. Your use of this Site following such revisions constitutes your agreement to the revised Policy or Notice.
