

Happy Maids Cleaning Specifications- Move in\out Cleaning

Our Move-out or Move-in Cleaning service offers an extra level of detail. We Hand wash and scrub all problem areas. Kitchen and bathrooms are given extra attention. We use brand name green cleaning products, however in this situation sometimes we are forced to use something stronger to achieve desired effect. This is Deep Cleaning. Your house will be ready for any maintenance plan that we offer. We're happy to discuss your cleaning needs over the phone, give you a quote, and schedule service. Follow up with maintenance programs. We can also set up a rotational schedule so specific rooms are deep cleaned on specific weeks, ensuring that all areas of your home get deep cleaned on a periodic basis.
