Our Curriculum

The Creative Curriculum

Home Away From Home follows the Creative Curriculum. This curriculum is designed to challenge our children, build their self-confidence and, most importantly, develop a love for learning. Our multi-cultural based curriculum encourages learning through arts, language, music, and socialization. We believe in age-appropriate learning based on the philosophy of a structured learning environment with the ability for creative expression. This nationally known approach, built upon learning theory and scientific knowledge of child development from early infancy through the preschool years, focuses on teacher- directed and child-initiated learning. The curriculum is goal-directed, based on ongoing assessments for each child's strengths and interests. With this information, learning can be guided while the child's social and emotional development is supported. Recognizing the important role of parents and family as partners in the young child's education, we will keep parents informed of the goals in the classroom and of how learning can be reinforced at home.

Montessori Curriculum

Our Palm Beach Gardens location offers a Montessori Curriculum for children ages 3-5. Our highly experienced teachers are Montessori trained and certified. The Montessori philosophy respects each child as an individual learner. Using classic Montessori materials and manipulatives, children are presented with the opportunity to learn at their own pace within a stimulating and nurturing environment. Each classroom is designed to encourage age appropriate concentration, focus, and development of individual discipline. The Montessori Method educates your child not only enriched and in-depth academics in all areas, but also in social and character development. We encourage helpfulness, grace, friendliness, respect, fairness, confidence, politeness, and courtesy in all that we do.

A. Physical & Immunizations

Complete immunization record on reverse side of Florida Dept. of Health Form # 680 signed by a licensed physician.

***HAFH does not accept any children who are not fully vaccinated. No Exceptions allowed.

Documents must be presented before a child can attend the school and must be updated when necessary.

B. Allergies

All Allergies must be noted in writing so that we can post them in the classroom for all caregivers to see.

C. Illnesses

For the protection of all children, we reserve the right to refuse acceptance of any child that shows signs or symptoms. These are just some examples:

- Severe coughing, causing the child to become red or blue in the face or to make whooping sound;
- Difficult or rapid breathing;
- Stiff neck;
- Diarrhea (more than one (1) abnormally loose stool within twenty-four-hour-period);
- Temperature of one hundred (100) degrees Fahrenheit or higher;
- Untreated infectious skin patch(es);
- Contagious disease (such as chicken pox)
- Scabies, tinea corporis or capitis (ring worm)
- Contagious skin rash (any severe rash)
- Vomiting
- Sores, discharging eyes or ears, profuse nasal discharge
- Conjunctivitis (Pink Eye)
- Yellowish skin or eyes
- Head Lice/Nits (must return with certified proof that lice is no longer a threat), etc.
- Children must be totally symptom free and healthy

1. If a child becomes sick during the day, she/he will be isolated from the other children and a parent will be notified to pick up the child immediately or within 1 hour. It is the parent's responsibility to have alternative arrangements available in the event that they cannot pick up their child immediately.

2. **No Returning to School Within 24 Hour Policy (1 Full Day)** - If your child has been absent/sent home due to a contagious disease, a doctor's note must be brought back to school to ensure that your child is healthy (SYMPTOM FREE) to be admitted back to school. Even in cases that a doctor authorizes your child to return to school before a 24-hour period, it is our center policy that your child may not return to school the day after being sent home. Please note if your child isn't feeling good, it should be your responsibility to keep them comfortable at home. We understand that sometimes this can be an

inconvenience to parents, but we trust that you will understand the necessity for such a policy. Your child must be totally symptom free. If we feel the child is still showing any signs of feeling sick you will be called to pick up again.

Medication

It is our policy **NOT TO** dispense any medication. If your child needs medication to be administered during school hours, you may make arrangements to come & administer the medication yourself. However, in cases where an emergency may happen and medication is necessary (Epi Pens, Asthma Pumps or other medications), you must have a doctor's note along with a permission slip with an open ended date in case of emergencies.

Baby powder, colic drops, teething gel, ointments, acetaminophens are considered medication by the health dept. They cannot be administered unless labeled w/a child's name and a doctor note to be accompanied along w/a medication permission slip & must be placed under lock & key. Please do your best to administer any of the above at home.

All medication must be in its original box, with child's name and exact dosage with expiration date.

Hygiene

We strive to maintain the highest standards of cleanliness and prevention of germs. Children are taught and required to wash their hands throughout the day to help minimize the spread of germs.

Head Lice - Return to School Policy

If your child has been diagnosed with head lice or nits (lice eggs), it is important to treat your child before he/she returns to school. It is our policy to exclude your child from attendance at school until you can provide us with a clearance letter from lice Solutions or a professional pediatrician of your choice on a doctor's letterhead. We recommend Lice Solutions 561-842-9969.

Accidents/Injuries/First Aid

Although we work hard to ensure that your child is in a safe environment, accidents do happen. Part of growing up can include bumps and bruises. If your child is slightly injured during the day such as a scraped knee, stubbed toe, bumped elbow, small cut, bumped head, bite, etc., our staff is equipped to provide first aid to the child. In these cases you will receive a written Accident/Incident report to inform parents about the accident or incident. The original report requires to be signed by the parent or guardian as well as the staff member who witnessed the accident/incident. The original document must stay at the school in the child's file and a copy maybe requested by a parent for his or her keeping.

If the injury is more than slight, the parent is notified immediately. In the case of serious accidents or medical emergency, 911 is dialed immediately in case emergency medical measures are necessary for the care and protection of the child.

Biting is Common

We realize that biting is normal behavior and common especially during toddler years and are almost impossible to prevent at this age and a part of a child's development. We work quickly and efficiently with our parents to resolve biting issues.

Excessive bite reports will result in a suspension or termination from our program. If a child three years or older is reported biting, the incidents may result in termination of enrollment.

Safety Checking Your Child In/Out Procedures

Parents are responsible for signing/checking in their child at arrival and signing/checking them out at pickup at the front desk. This must be done before you actually go to the classrooms. Children must be escorted to their classrooms each day. PLEASE REMEMBER THAT IT IS NOT SAFE TO LEAVE YOUR CHILD ALONE IN THE CENTER HALLWAYS OR WHEN EXITING TO OUR PARKING LOT. IT IS YOUR RESPONSIBILITY TO HOLD YOUR CHILD'S HAND AFTER THEY LEAVE THEIR CLASSROOMS AND AT NO TIME SHOULD THEY BE ALLOWED TO WANDER THE HALLWAYS WITH OUT AN ADULT 18 YEARS OR OLDER.

Please notify us in writing or by telephone beforehand if any other person other than the people authorized on your enrollment agreement will be picking up your child. They must be 18 or older. They will be asked for your pass code. Without authorization, your child will not be released. Picture Identification will be requested from any person picking up your child.

Custody

If custody is an issue, we must have a notarized court order on file outlining the custody arrangement. We ask parents to please not involve us in your family custody issues.

Toys from Home

We ask that toys be kept home. Home Away From Home is not responsible for any lost, broken or stolen items in school.

Pictures, Videos, Picture Phones

For the safety and privacy of other children absolutely no videos and or pictures may be taken on our premises unless performed by a staff member for school purposes only.

Uniforms Dress Code Policy

HAFH requires that all children ages' one (1) year and older wear a HAFH Logo Uniform Polo Shirt and appropriate khaki or blue shorts/pants with closed toe shoes. This dress code is not optional; it is mandatory and is to be worn everyday unless told otherwise. In cases that a uniform has not been worn after sending home reminders slips, our staff will bill your account for a uniform shirt and supply one for your child. We ask that you keep a change of clothing at school in case of an accident. *Please label everything with your child's name.

*Uniforms can be purchased at the front desk.

Diaper Changing Procedures

Parents must supply disposable diapers and wipes. NO Cloth Diapers will be allowed. Diapers and Wipes are **NOT** provided by our center. It is the parent's obligation/responsibility to make sure your child has enough supplies. Changing areas have running hot water and are disinfected after each use. Teachers wear new fresh gloves each time they change a child's diaper. Every precaution is made to keep the diaper changing areas germ free. Licensing regulations are adhered to in all areas of sanitation procedures. Your teacher will provide/remind you with a list of items required for diaper changing and

re-filling on your daily sheets or verbally. It would be a good idea for you to check if any items are needed weekly including extra clothes in case something was overlooked.

Outdoor Play

Outdoor play in the fresh air contributes to a child's good health and overall development. Home Away From Home plans daily outdoor activities. Please be sure to have your child wear sneakers or closed toe shoes. Please dress your child in weather permitting attire.

Daily Reports

Younger children will receive a Daily Report from your child's caregivers, which will outline your child's activities and routines of the day. In some cases this report will include feeding, napping, and diapering observations. We will have a checklist of items that may be needed for the following day. A "comment area" is also added so parents can share any information for their child's caregivers. We also recommend letting the front office know if there are any issues that we need to solve, preferably in writing so that we are all on the same page.

Extra Clothing

A set of extra clothing is required in case of an emergency or accident during toilet time. Please be sure to have an extra set of clothes, socks, underwear and shoes in a zip lock bag labeled with your child's name on it! Please replace any used items as needed.

Soiled Clothing

Clothing soiled with fluids (stool, urine, blood, vomit) will be placed in a plastic bag, to be picked up by the parents or guardian at the end of the day. It is the parent's responsibility to check and clean out your child's cubby daily.

Toilet Training

Home Away From Home believes parents should start toilet training at home. We will support your efforts to help your child become toilet trained. Staff will encourage & assist your child in his or her attempts at independence and will offer praise when your child tries or is successful. We make every effort to follow directions to ensure consistency between both home and school however possible. Therefore, we ask you to please cooperate in doing the same at home. Please "NO PULLUPS" should be used during toilet training. Pull-ups will only be used during nap time.

Birthdays

We encourage you to celebrate your child's birthday with his/her friends at our center with nutritious "treats" to help with the occasion. Please go over all birthday procedures with the center Director & teacher.

Referral Bonus

We hope you will recommend us to friends, neighbors and colleagues. If a child enrolls based upon your referral, you will receive a week's free of tuition, after the referral has been enrolled at our center for four consecutive weeks. The New enrollment MUST provide a written note with the referring parents name and information at time of enrollment in order to receive the free week of tuition bonus. This referral bonus cannot be used towards your 2 weeks withdrawal notice or vacation credit.

Drills and Evacuations

Emergency fire drills are mandatory by law and conducted monthly to prepare the child should an emergency situation arise. Our School is equipped with a fire alarm system, some with ceiling sprinklers, and fire extinguishers. It is important to talk to your child should they raise questions or concerns about the drills and we will prepare them in advance as well. Each classroom has an exit to the exterior outside. In event of a fire, each classroom will be escorted by the staff through the appropriate exits onto the enclosed playground or designated area. Infants are placed in evacuation cribs and exited by the staff. Staff will take attendance records with them and attendance will be taken once outside to make sure all children are accounted for. No one can enter the building until a final sweep and clearance has been given to return to the building.

Emergency Evacuations

IN CASE OF A THREAT: In the event there has been a threat made on the HAFH facility or nearby facility, the local law enforcement officials will be called and a lock-down of the School will take place. During a lockdown and as with all times during school hours, all exterior doors will remain locked and during a lock down no one can enter or exit the building until the appropriate authorities arrive.

In Case of Severe Weather/Hurricane Emergency Closings

Home Away From Home follows the Palm Beach County Public School closings for severe weather or emergency situations. If the public schools are closed, HAFH is closed. Please listen to the news channels to confirm schools closings. If severe weather/Hurricane occurs during school hours, all parents will be notified immediately to pick up the child if a hurricane watch becomes a hurricane warning, however, the child will not be released until it is safe to do so. In the event of a Tornado, the children will remain in their classrooms moved away from the doors and windows. Older children three through pre-kindergarten will go under the tables in the classroom in the tuck and cover back of neck position. Children will remain in the classroom until the Tornado warning has been lifted. Infants will be placed in the evacuation cribs in the center of the room.

Evacuations

Any time an evacuation is necessitated, each classroom will follow the primary evacuation route that is posted in the classrooms located on the Emergency Evacuation Procedure map. If it is inaccessible, the classes will follow the secondary evacuation route. All teachers must carry their attendance records with them and remain in their designated space with their class until the Director checks the facility and gives clearance to return to the building.

Classroom & School Communication

Our school has a monthly newsletter, which includes a brief description of what's going on in the classrooms. This newsletter is put in each child's cubby. The newsletter is also published on our website and extra copies are located at the front office.

Parent Information Boards are located in each classroom. This board contains both general and specific information. Please make a point to stop by and check the information board daily. This will help with the process of communication and connecting parents with the school and classroom. The board will also have a weekly lesson plan along with the school menu. Important information will also be posted on classroom doors.

Our Website www.homeawayfromhomechildcare.com and the Home Away From Home Child Care Facebook also have important information with daily activities and school pictures, so please be sure to like us on Facebook.

Valuables left in Cars

HAFH is not responsible for any valuables including purses left in cars during drop off or picking up time. Please note daycares are a target for car break ins.

Suggestion Boxes

Each school has a suggestion box at the reception desk. We welcome any and all suggestions or comments to better serve our clients.

Parent/Teacher Conference

Lead Teachers at Home Away From Home complete formal observations and assessments for each child enrolled at the school. These observations and assessments are held 3 times a year (fall, winter and spring). All parents are invited to participate on parent night to generally review these assessments with your child's teacher. Teachers/parents may request a conference when there are special concerns in the classroom. We ask that a special time is provided for this conference and may be held in private with upper management present. Teachers are busy taking care of the other children during school hours so it is important that a designated time is made to have a conference.

Management Team Structure

HAFH has a Management Team to assist with communication and supervision at the school. Each school has a Center Director, Assistant Director and an Administrator. Any one of the management team may assist you with questions or concerns about the center. If you need assistance with a more serious issue and feel that your concerns are not being taken care of, we have a Regional Manager and a Curriculum Regional Manager.

For problem solving at the classroom level we recommend the following four-step process:

1. First, bring any concern to the teacher.
2. Next, if you are not satisfied, speak to the Director, Assistant Director or admin.
3. If you still have a concern, request to speak to or schedule a meeting with the Regional Manager. We have two Regional Managers one to handle general issues (vanessahafh@gmail.com) and one Regional Manager for Curriculum (AshleyHAFH@gmail.com) questions.
4. Last, if you still have a concern and the above staff has not been able to satisfy your concerns, please do not hesitate to contact Larissa Silva the owner directly via email at (larissasilva@bellsouth.net).

Parent/Teacher Communication

When you have a concern, please remember...

- Teachers want parents to be satisfied with the care their child is receiving.
- Talk to the teachers directly whenever possible.
- REALIZE that if you have a concern with a teacher, the Director will need to investigate and talk with the teacher about your concern in order to deal with the issue in a straightforward manner.
- Please give teachers a chance to correct minor issues.
- Sometimes we cannot make the changes you may request due to other restrictions, but we ALWAYS want to hear your suggestions.

- We promise to consider them serious and respond to you in a timely manner.
- If at any time a parent wishes to meet with their child's teacher to discuss issues that may arise, he/she can contact the teacher to schedule a meeting and an administrator will also be present.
- We do ask that you schedule a conference with your child's teacher to discuss issues in depth, and not try to discuss them during drop-off and pick-up times.

Room Assignment

Placement of a child in a classroom is determined by age and developmental level and availability. We want your child to be placed where his/her needs are met and their interest challenged. While we do accept input from parents about room assignments, the center director and teachers will make the final decision based on what is best for the child, other children, teachers and the School.

Transition Procedures

Parents will be notified one month in advance when their child will be transitioning to another classroom usually in the beginning of the month. A letter will be sent home stating what day the transition will begin. During this time, your child will visit the new room for a few hours a day. This will continue for approximately two weeks until your child has had time to warm up to the new environment. In some cases children love the new classroom and adapt well, in these cases the transition may happen sooner rather than later.

Your child must not be present that week in order to receive the free vacation time. Annual registration fee must be paid in order to use your vacation week.
