

Testimonial from Europe

I just wanted to extend a big thank-you to you and your family. Linda & Ryan came back from Vienna last night and couldn't stop talking about how great of an experience they had. It was truly humbling to them to see the beautiful culture and rich architecture of your home town as well as the many cities visited.

You and your family went out of your way to make sure that everyone had a trip to remember. We thank you for all that you did and continue to do!

Steve

I wanted to let you know how special our European trip was this summer!! Not a day has gone by that I haven't thought of it and your sweet family. You all went to great lengths to make sure it was a special and memorable experience, and for that Wesley and I are truly grateful. I am working through our pictures and will send copies of the good ones when they are ready.

Thank you,
Cathy Dale
