Daniel T. Mongan

shareholder agreements, and commercial contracts.

He has experience managing the breadth of issues faced by businesses across a spectrum of industries, as well as deep expertise in mergers and acquisitions, spinoffs, divestitures, joint ventures and strategic alliances. Dan advises his clients on a range of financing and investment matters, including venture capital and private equity investments, securities, banking and project finance.

He has addressed many issues faced by businesses seeking growth and sustainability, including technology licensing and strategy, regulatory compliance, executive retention and compensation, investor and shareholder matters, board advisory and commercial matters.
