

# Lone Tree School Summer 2015

Lone Tree School, a historic one-room school located at North Lake Park in Loveland, is the setting for 3 one-week summer sessions. Any child who will enter second through ninth grade in the fall of 2014 is eligible to participate in the educational program which simulates the typical school day and activities of the late 19<sup>th</sup> century. The history and folkways of the high plains of Northern Colorado will be integrated into a lively school curriculum that features the "three Rs". In addition, children will participate in old-time games and crafts. Children should dress in appropriate and comfortable play clothes. There will be an ice cream social on Fridays, the last day of each session. Transportation is the responsibility of the enrollee. Please do not drop off children earlier than 15 minutes before the start of each session. Also, please be sure to pick-up your child no later than 15 minutes after each day ends.

Advance registration is required. A completed registration form and payment are required to register. No phone or fax reservations will be taken. Each child may sign up for one session only. Registration fee is refundable if cancellation is made at least one week prior to the start of the session. Each session will be limited to 25 children.

**Fee: \$75 for non-Museum members; \$60 for Museum members**

**Weekly school sessions are as follows:**

Session 1:	June 15-19	9:00 – 11:30 a.m.
