

Free Resources

Canva.com - Create custom graphics for social media posts, social media cover art, blog posts, eBook covers, flyers, etc.

ZAMZAR™

Online file conversion

Zamzar.com - Convert files into different formats. (Need an .eps file converted into a .jpg?)

Buffer.com - Social Media Scheduling: (Manage up to 3 platforms on free version)

Hootsuite.com - Social Media Scheduling: (Manage up to 3 platforms on free version)

SnapRetail.com – Social media management, newsletter and email campaigns geared towards retail.

MARKETING CHOMP™

 **socialoomph** socialoomph.com – Social media management and in my opinion has the best tool for scheduling Twitter posts.

CapsuleCRM.com - Customer Resource Management tool

Mailchimp.com - newsletter campaigns

2

Issu.com – Show a folder or brochure in “flippable” form on your website.

Woorank.com – Find out how optimized your website really is & how fix the issues.

peek

Peek.usertesting.com – Hear what others think about engaging with your website.

SurveyMonkey.com – create and send customer surveys.

Great Resources (but not free!) 😊

3

VisionForceWebsites.com - Domain names, website builders, SSL certificates

VisionForceMarketing.com – Marketing Plans, Marketing Coaching, Business Coaching, Sales Coaching, Sales Training, Strategic Action Plans, The Ultimate Automated Selling Machine, Group Training and more.
