To whom it may concern:

Restaurant of America, a Hooters franchise group based in Denver, CO currently utilizes Jammin' DJs services for the last 10 weeks. Jammin' DJs currently runs trivia and karaoke promotions on a weekly basis at five of our seven Hooters locations in Colorado. Since we have started working with Jammin' DJs we have seen positive sales trends on Thursdays and Friday evenings and an increase on the per person check average during the promotions.

Jammin' has been quick at creating point of sale material for our units and posting our promotions on their website and social media platforms. Jammin' DJs management has been great at receiving any feedback if there are any with the weekly promotion and resolving any issues if our store managers see areas of opportunity in their restaurant.

I highly recommend Jammin' DJ for their trivia and karaoke promotions. Feel free to contact me directly with any further questions.

Sincerely,
