The Board of Directors encourages community members to express their views on Board policy. Those wishing to speak to the Board should sign the Public Comment Roster located in the lobby next to the meeting agenda prior to the meeting. If you sign up to speak on the Public Comment Roster to address a specific agenda item, the Board president will give you an opportunity to speak during the Public Participation portion of the agenda or when that agenda item is before the Board for action. To manage the Board's and the public's time in the most effective manner, there is a three-minute time limit for individual speakers. If four or more individuals sign up to speak on the same side of the same topic, the Board will hear ten minutes from that group, arranged in any respectful way the collective individuals decide. If a member of the community would like to give a more formal presentation a written request must be submitted to the Board at least 10 days in advance. Contact the Board secretary for more details.
