

# NOW EARN A \$20 CREDIT PER REFERRAL!

Share the satisfaction of being an 011 Communications' customer with those you know; and earn a \$20 credit for each qualified referred customer.

011 Communications' customers will receive two months FREE every year through our Every 6th Invoice Free promotion; plus 1 hour of free international calls every month!\*

And the good news is that there are no limits to how many credits you can receive, so the more referrals, the more referral credits you will get!

For example, if you submit 25 qualified referrals, you would get \$500 in referral credits towards your account! Plus any unused credit amounts will carry over to your next invoice!

**So tell your friends and family members about 011 Communications and have them call: 866-999-5799**

All they need to do is to mention your home or mobile number when they decide to join 011 Communications. Once your referred friends receive their 1st full invoice from us, you will receive a \$20 credit to your account!

Or, just list your referrals below and fax this form to 1-800-735-5893 or email the list to: [011vip@011communications.com](mailto:011vip@011communications.com).
