

CULINARY ARTS PROGRAM

SUPPORTIVE EMPLOYMENT PROGRAM

WE LISTENED!

One of the driving forces behind the OUR Centers' culinary program was due to local Longmont food services' (restaurants, hotels, caterers, etc.) request for quality and long-term culinary employees. According to the food service industry in Longmont, this is currently one of, if not the biggest, challenge facing them.

Be a part of a culinary change in your community!

HOW YOU CAN GET INVOLVED

- Host an Internship
- Hire a Graduate
- Become a Chef Volunteer
- Recruit a Student
- Invest in a Class
- Spread the Word

The Goal

To prepare underemployed, unemployed, previously incarcerated persons and/or homeless adults for careers in the food service industry. This 12-week program will help change lives by giving those with an interest in the culinary arts a skill for life.
