

About the 2016 Brain Zone Summer Workshops:

You select the subject - we'll help you determine the complexity level - and our instructors will take care of the rest!

- Open enrollment workshops are offered for Elementary, Jr. High, and High School students
- No more than 6 students per group
- Each two-week workshop will be scheduled on *Monday, Wednesday, and Friday* or *Tuesday and Thursday* between 10-12 pm.
- \$199 Early Enrollment Discount before June 13, 2016

Call to schedule a **FREE** consultation and initial assessment, and see which workshops are right for you!

Genius Academy: A Cognitive Training Workshop June 20- July 1

A multisensory, brain-training workshop with materials scientifically proven to accelerate learning by exercising concentration, memory, and critical thinking skills.

This is your opportunity to improve the cognitive skills necessary for effective reading, spelling, and writing.

- **Level 1 - Basic Brain Training**
- **Level 2 - Intermediate Brain Training**
- **Level 3 - Advanced Brain Training**

FUNDamentals of Reading July 4-15

Our popular **FUNDamentals of Reading Summer Camp** is now the best way to stay sharp in the summer and get ready for the new year.

Common Core's Scaffolding approach for critical thinking, reading comprehension will be introduced. Campers will discuss decoding techniques, spelling constructions, and syllable types.

- **Level 1 - Single Syllable Words - Sounds and Rules**
- **Level 2 - Multi-Syllable Reading Strategies**
- **Level 3 - Comprehension Class**

Writing Workshops July 18-29

Common Core success hinges on expressive language – learn how to write the short answers, summaries, and essays that your school is looking for. Students will be introduced to compelling hooks, strong thesis statements, essay enhancing tricks, and persuasive techniques.

Creative Writing students will learn about story construction, character development, and stylized writing tricks.

- **Level 1 - Single Paragraph Essays**
- **Level 2 - Multi-Paragraph Essays**
- **Level 3 - Creative Writing**

Math Masters August 1-2

Consistent with Common Core Math's multisensory, critical thinking approach, students will learn more than how to solve problems with formulas, they will learn why formulas solve problems. Word problem analysis and written expression tricks will be included. Review last year's material and get ahead of the coming content.

- **Level 1 - Basic Math**
- **Level 2 - Fractions, Integers, and Memorization Strategies**
- **Level 3 - Pre-Algebra**

WORKSHOP POLICIES, FEES & REGISTRATION

ENROLLMENT DEADLINE

Early enrollment discounts are honored with a registration returned on or before 6/13/16 paid in full. Please note, if there is availability in a workshop, registration can be guaranteed only if scheduled before 06/13/16.

FEE SCHEDULE

*Workshop fees include the cost of 6 classes/12 academic hours and all student materials.

\$199.00/student – Early enrollment (on or before 06/13/16)

\$250.00/student – Regular enrollment

\$225.00/student – Sibling Discount (with regular enrollment)

CANCELLATION PROTOCOL

Workshop dates are fixed and make-up sessions will not be offered if a student cannot attend a group class. Please make every attempt to attend every session; quite a lot of material will be covered in a short amount of time.

RELEASE OF STUDENTS

To keep your child safe, we would appreciate your following these simple policies:

1. "No recognition" by the child of the adult picking them up will result in our contacting you for permission to release.
2. If your child has your permission to leave the learning center (by bike, walking, etc.) without needing to be released to an adult, it will be necessary for a written note to be given to the instructor.

Detach and remit lower portion with payment.

(Please PRINT clearly and fill out one form for each student)
